Commodore's Report

June 24th and more wax on...wax off to do along with other boat jobs. The boating season is here along with the summer weather...92 today! Whew!!!

Please remember to let the cruise director Johnny O know if you are not attending an outing that you signed up for. It helps him with head count for food purchasing along with well accommodations.

I hope to see all of you at Belle Mare on July 4th. It sounds like John and Donna have a great outing planned for us with a great fireworks display Saturday night.

See you soon!

Gary

Sounder July 2009 Vice Commodore's Report

The summer is off to a great start!! John & Donna are doing an outstanding job this year! Kim & I had a great time at Belle Maer this weekend for the 4th of July, the food was great and a good time was had by all. Still working on the 2010 Commodore's Ball, plans are coming together as scheduled. Gary provided me with enough paperwork so there is no room for failure! Please make sure to confirm your attendance to all outings this season, this makes John's job much easier to manage. Kim & I aren't able to make the Kean's outing but John's agenda looks awesome!!

**** Theme for Kean's is Christmas in July ****

AGENDA

Rear Commodore's Report

Greetings from the Rear

Wow!! Where is this summer going? Too fast!! It can't already be July?! This weekend is Kean's and I know everyone is looking forward to the Gold Cup Races. This is always a fun event. I'm heard nothing but good things about the Belle Maer Rendezvous. We were able to join the Sip 'n Dip and that sure was a good time. Thanks to John and crew for the great effort. (Did anybody take the orange Road Commission construction cones back . . .?) As I write this, the temperature is currently in the 60's making me wonder what happened to summer. Huh. Seems I had the same question last weekend. Oh, well. It wouldn't be Michigan if I followed any kind of pattern. Hope to see many of you this weekend. The weather report looks good!!

Len

Fleet Captain's Report

July is here and so is Summer (Finally).

Amazing that it we almost made it to July 4th before summer arrived We have our outing at Belle Maer all set. The fireworks should be better than the previous year.

Keans is one week after that so we are back to back weekends. We will get our moneys worth out of our boats this month!.

Unfortunately Mrs. Fleet Captain & I are having a few medical issues resolved the day before Kean's so I will have to leave you in the capable hands of Terry & Debbie Smith that weekend. It will be a Christmas in July theme so start thinking about how best to decorate your boat. Debbie Giannico will be organizing a gift exchange and the selection of the best decorated boat. I will be sending out the agenda for this weekend immediately after the fourth of July

The last week of the month we have the St.Clair off shore races & extended cruise. I have registration forms that I will be passing out on July forth for those that want to go to Riverbend marina that weekend. You will just have to complete the general information & mail it ASAP to Riverbend marina. The pricing is already set. If you are not already signed up I will have the book at our outing on the 4th.

Obviously I had some miscommunication regarding the outing at Munchies. It was a rather unique weekend in many regards. For those that did make it we had a great time. If the Red Wings had won it would have been perfect. For those that did not realize that the outing was only Friday night & Saturday afternoon I am sorry for the uncertainty. To help prevent this from happening again I have enlisted the help of Fran Stocks to call each individual to confirm participation for each outing. I have also added the sign up sheet to each agenda the week before each outing so you will know if you did sign up. As always my cell number is on each agenda so please call with any questions.

Your Fleet Captain.
Johnny O
