

SOUNDER APRIL 2007

Commodore's Comments

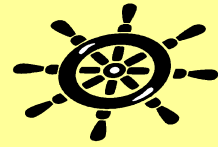

Wax on. Wax off. Spring is finally here and it's the time when all of us try and get our boats in the best condition that we can in preparation for another fun filled summer of boating. Be sure to check everything possible. You wouldn't want to be stranded on the dock and not be able to make one of the great outings that Brian has planned for us. Take special care to check your safety items. Let's make this a safe and enjoyable season.

As of this publication we have not hosted the ABYA meeting yet, but I'm sure that the ABYA will again be pleased with our hospitality. Bill Hamilton is our chief cook for this event, along with Lynda Marek, our ABYA rep. Let's give them all the support we can to make their job a little easier. Helping to prepare and serve the food is a great way to get to know your fellow boat club members on another level. Give a little; get a lot.

Commodore's Comment's cont'd

I don't have a much else to tell you. The Commodore's Ball is behind us, and I know that Jeff has already started preparation for next year's event.

The club is looking for some new members to bring our roster up to its full potential. If you know someone who is interested in boating with us, please bring them to one of our meetings or outings. Just be sure they check in with the membership chairman, Gary Knapp, so they can get their paperwork started.

See everyone at the April fitting out party.

Your Commodore,
Tony Fralowicz

RAMBLINGS FROM THE REAR

April and it's wax on, wax off time. Time to remove shrink wrap, check bottom paint, props and rudders and get the boat ready for another fun filled boating season. Check all of the safety items on the boat. If you have a halon system, have it checked and noted on the tag that is was inspected.

Brian has some great outings planned for this year. I am looking forward to attending as many as Jackie and I can. The Maumee Bay outing along with Put-In-Bay following will be a lot of fun. We are both looking forward to that trip along with the others.

We'll see you at the Fitting Out Party!

Your Rear Commodore,
Gary

Voice of the Vice

Hello everyone!

I am currently working on the Commodore's Ball as you all know. So far we are going back to Cherry Creek . They did a professional job taking care of us. I have no problem going back. Now I am working on getting a band. So far I am leaning towards the band called "Persuasion". Unfortunately they are a little more expensive than Teen Angel's. What I propose is raising the price of tickets five bucks per couple to off set the band cost. We have some time to talk about this. Anyway that's what's going on so far . Hope everyone is doing well.

I will see you all at the next meeting.

Jeff Deffen
Vice Commodore

Fleet Captain's Report

The past couple of weeks have been somewhat peaceful for me as Fleet Captain. I just have a few dates to remind all of you about,

April 13th 6pm, Fitting Out Party at Villa Penna's, you must pre-register with me.

April 29th Maumee Bay Deposit becomes non-refundable.

May 12th 2pm SPYC Meeting hosted by Dave & Joyce Withers, dish to pass.

May 25-28 Memorial Day at Radlin's

We will have our April meeting at Penna's before the party. If you would like to sign up for any outings, send me an email or call me. I did put a member's contact list in the member's only section of the SPYC web site. If any of your information is wrong, please let me know.

So far, the club has picked up all of the deposits for the outings, which include Maumee Bay, Algonac, and Metro Beach. If you have signed up for these outings and you do not cancel within the time allotted, you will be responsible for repaying the club the deposit.

Thanks,
Brian Fox
Fleet Captain

SUNSHINE REPORT

Something good for a change. Our own Ben Lindeman has made the front page of the Sunday Free Press(Easter Sunday, no less). An article about the big three buy outs. Congrats to Ben.
