

# SOUNDER JULY 2007

## Commodore's Comments

I trust that everyone is enjoying the wonderful summer that we have had so far. We have had some great outings this season and the weather has been just spectacular. Let's hope this kind of weather prevails for the remaining outings.

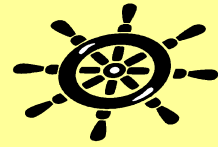

Brian and his Lady Kim have been doing a tremendous job providing us with some good food and entertainment. Every outing has been a blast. Our last outing at Kean's Marina kept us entertained all weekend with some great boat races. There were many different classes of boats that ran all three days. We also had a fly over from a Navy F18 that gave all of us quite a scare the first time. I don't think that anyone was prepared for it and it took us by total surprise. I will be looking forward to seeing the pictures on the web site.

Our next outing is St Clair for some more boat races. Hope to see everyone there for another good time.

# Commodore's Comment's cont'd

On another note, the SPYC outing for the Tigers game on August 27th is sold out. If you missed out and are still interested in going, there are some single tickets left in the section that we are seated in as of this time. Give me a call if you still want to go, and I will see if I can get you a ticket.

Your Commodore,  
Tony Fralowicz

# RAMBLINGS FROM THE REAR

Brian and Kim have been doing a fantastic job. The outings have been fun, and the food has been great. Jackie and I have been enjoying the summer boating with the club. Nothing more to add. See you at the next outing!!!

Your Rear Commodore,  
Gary

# Voice of the Vice

In lieu of Jeff's report, Fran Stocks recorded some notes on the extended trip. Here they are...enjoy!

Extended Cruise 2007

What a great cruise, the group started out by just "Skip Inn" across Lake Erie with our "Eagle Eye" in sight to find our way to Maumee Bay. What an awesome day, great lake conditions, beautiful weather, and the sunsets were an awesome view from the docks!!

Once arriving in beautiful Maumee Bay, it was apparent that everyone was going to become "Infocicated". That was definitely the "Priority" for the day. It was a long journey over, but what the hell its "Only Monday" and everyone agreed "Ditto" that late have a part!!

That was definitely the money for the day. It was a long journey ever, but what the hell its "Only Money" and everyone agreed "Ditto" that..... lets have a party!!

On Sunday it was the Flip Flop designer hour so everyone could show their talent for decorating flip flops, thanks to the Christensen family for that entertainment. In the evening the gang enjoyed a great BBQ rib dinner Luau style delivered by Dean Meyers. After that delicious dinner all the beautiful SPYC "Bella Mia" ladies entertained with their version of the SPYC Hula Dance, what a sight!! Ladies in grass skirts and guys in seashell top...whoohoo! Sexy!! Both old and young were entertained later that evening with the fish race game, and for some the bets were right on the winning fish of choice to win !!, Unfortunately for the rest of the gang, well let just say we it was a really good time it was a joint effort and the kids enjoyed it too.

Monday morning, the rest of the SPYC group departed for the extended cruise to Cedar Point where the lake was rock & rolling, but we all made it with only one small hitch, the Coast Guard decided to stop a few of us for a short inspection...YEEKS !!! just as we entering Cedar Point. All went well, no tickets or violations, and we were shoved off with smiles, well wishes and a few photos of our Coasties with the mosties !! We were "Home Free" to head to Cedar Point to enjoy the water park and the extreme rollercoaster rides for two great days of excitement and thrills, the kids had the best time ever, and some of the adults, lets just say they not kids anymore !!

Next stop was Put In Bay....the gang re-grouped, and hey "What's not to Like", another party to plan, and few more days to enjoy!! The week ended, as it started, the group had the "Best of Times", visiting the Splash Bar, and the Boardwalk for Walleye and we made our mark in the Round House by hanging our SPYC Berge to show our presence!! None the less, everyone made it through with maybe just a few hangovers, but we know all know the what the "Remedy" would be for that, just another trip to be back "Home' Free" again !!

## Fleet Captain's Report

We are half way though our outings and I hope everyone is having a good time. St. Clair will be the next outing; I will hopefully be there early to help everyone getting in their docks. We will have dinner Saturday at 6pm, Bob and Carole will host a Captain Morgan party later after dinner.

Looking at the other outing coming up,

Metro Beach Aug 17th -19th is shaping up to be a very big outing, if you plan on coming by car or have guest coming and have not told me yet, please call me at 586-203-7936.

Sarnia Bay is still set for Labor Day; I have only 11 boats signed up for that trip. Sarnia has put a new pool in and has done other updates. If you plan on attending please call me at the number above.

Bouvier Bay Sept 13th-15th will be our frost bite and I will have more detail later.

The October meet will be at Barb and Larry Alliota house, also more detail to follow.

I am also looking at the Halloween Party at Sugar Bush Saturday October 27th and the Christmas party at Harbor Club North Saturday Dec 9th. I will update you as it gets closer.

Let's all try and get a new boat pictures that we can use on the board at the Commodores ball. I am giving you 6 months to get a new picture. Please work on it!!

Brian

Fleet Captain 2007

## SUNSHINE REPORT

Rita O'Leary, Carrie Rush's grandmother, passed away. The club sent flowers. Corrinne Christensen assisted Doris.
